Dobré Bistro believes in natural products, that we transform into healthy food. We cook with grape-seed oil, coconut oil or extra virgin olive oil. We use pink Himalayan salt and sweeten with cane sugar, maple syrup or agave syrup. We use apple cider vinegar instead of regular one. We insist on quality bread, that's why we offer spelt-rye bread (sourdough) or spelt sandwiches, where we know who made it and how it's made.

**ATTENTION:** We are not a specialised celiac and allergy-friendly restaurant, and gluten-free meals may also contain traces of gluten.

**Dobré Bistro** je miesto, kde sa stretávajú príjemní ľudia, ktorí vyhľadávajú skutočne kvalitné suroviny v netradičnom podaní. Svoju spokojnosť s našimi službami a produktmi podajú známym a nespokojnosť povedia nám, aby sme to mohli napraviť. Snažíme sa správať zodpovedne ku svojmu okoliu, a preto odpad separujeme tiež na biologický, sklo, plast a papier.
